

Summary

Hi there! I am a passionate self-taught programmer, born and brought up in Kolkata, India. I am a full stack developer with React.js, Redux, Express.js, Node.js and MongoDB as my tech stack. I love learning about new technologies, what problems are they solving and how can I use them to build better and scalable products.

Skill Highlights

- JavaScript
- React.js
- Node.js
- Bootstrap
- Express.js
- MongoDB
- HTML/CSS
- RESTful API

Projects

- **Lodge Avoya Portfolio**
Live - <https://www.lodgeavoya.com/>
Source code - <https://github.com/Biplab21/abhayalodge.github.io>
Tech – HTML, CSS, JavaScript
- **E-Commerce Website – ProShop (Demo)**
Live - <https://proshop21.herokuapp.com/>
Source code - <https://github.com/Biplab21/proshop>
Tech – React.js, Redux, Node.js, Express.js, MongoDB, React-Bootstrap, Paypal API
- **Netflix Clone (Frontend)**
Live - <https://netflix-clone-7196a.web.app/>
Source code - <https://github.com/Biplab21/netflix-clone>
Tech – React.js, Node.js, Express.js, Firebase

Education

- **Bachelor of Commerce (Honours) – 2019**
Prafulla Chandra College (University of Calcutta)
- **Higher Secondary – 2016**
Jagadbandhu Institution (West Bengal Council of Higher Secondary Education)
- **Secondary – 2014**
Jagadbandhu Institution (West Bengal Board of Secondary Education)
